**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have chosen Sonic for my phone and internet service because they provide excellent service at a reasonable price. The broadband they offer is critical to my home. I have a condition that makes it impossible for me to watch TV, so I rely on my internet connection provided by Sonic to listen to audiobooks from the public library every day and evening.

Sonic's phone service is reliable and I don't pay extra for long distance calls.

Please don't do anything that would negatively affect Sonic.

Noah Levin
